

## Material Safety Data Sheet

<b>1. Identification of substance</b>		
Trade name:	<b>Fischer JET plast Type PC</b>	
Application:	Cryogen Deflashing Media, Blasting agent	
Emergency Information:	Fischer GmbH . D-35687 Dillenburg Tel.: +49 (0)2771-819361-0, Fax.: +49 (0)2771-819361-9	
<b>2. Hazards identification</b>		
Not valid, this product requires no special labelling.		
<b>3. Composition / Information on ingredients</b>		
Polycarbonate, CAS No.: 25971-63-5, Additive <1%, no dangerous components .		
<b>4. First aid measures</b>		
No special measures required		
<b>5. Fire fighting measures</b>		
Water spray		
<b>6. Measures in case of leakage</b>		
None required, collect spilled material with suitable equipment		
<b>7. Handling and storage</b>		
No special measures required		
<b>8. Exposure</b>		
Special exposure controls are not required.		
<b>9. Physical and chemical Properties</b>		
<b>Form:</b> Solid, Granulate.	<b>Colour:</b> According to product designation.	<b>Smell:</b> Odourless
<b>Melting Point:</b> (Tg) 150°C.	<b>Boiling point:</b> No Measurement.	<b>Flamability point:</b> n. a.
Fischer JET plast Type PC is not self flammable, nor is there a danger of explosion, not water soluble.		
<b>Density at 20°C:</b> > 1 g/cm <sup>3</sup>		
<b>10. Stability and reactivity</b>		
No decomposition if used according to the specifications.		
<b>11. Toxikological information</b>		
On skin and eye no irritant effect, no sensitizing effect known.		
<b>12. Ecological information</b>		
Fischer JET plast Type PC is not hazardous for water.		
<b>13. Disposal</b>		
On basis of the necessary technical regulations and after consultation with the disposal agent and the relevant authorities, Fischer JET plast Type PC can be deposited or incinerated with domestic waste. <b>No.: 07 08 13 waste plastic.</b>		
<b>14. Transport information</b>		
Fischer JET plast Type PC is not dangerous according ADR / RID / IMDG / IATA. <b>HS-Code.: 3907.4000</b>		
<b>15. Regulatory information</b>		
None of the ingredients is listed in „Standard for the Uniform Scheduling of Drugs and Poisons. The product is not subject to identification regulations under EC Directives. VbF class.: Void <b>REACH:</b> Fischer JET plast Type PC is a finished goods, an article based on polymers. Polymers are exempted from Reach registration. <b>SVHC:</b> „Substances of Very High Concern“ acc to ECHA (European Chemicals Agency) Status 1/9/2008. Fischer JET plast Type PC deflashing agents do not contain any of that SVHC-Chemicals.		
<b>16. Other information</b>
